## Seeding

There will be pool play and championship play in the Denver Shootout. How well a team does in pool play will determine their seeding for the championship. Seeding ties are broken in the following way:

1. Record in pool play
2. Head-to-head\*
3. Goals against
4. Goal differential
5. Coin flip

\*In the case of a two-way tie head-to-head record will be used, in the case of a three way tie the seeding tie will be broken by goals against- NOT head-to-head

\* In the case that a team forfeits a game, the score will be recorded as a 6-0 loss for that team.
